30 Days Around the World for KANPE
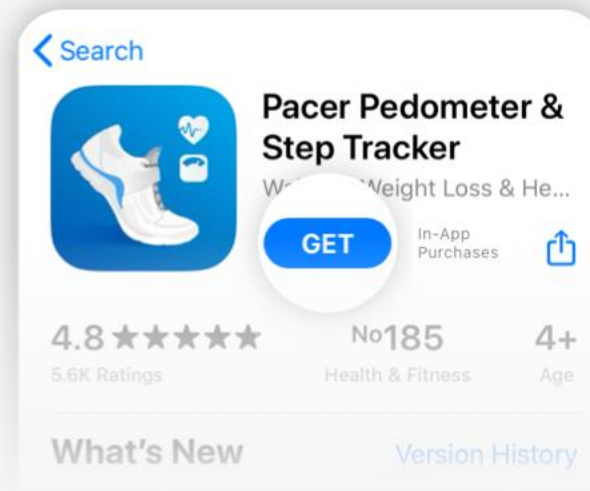

Challenge Guide

360insights × Pacer

Hello, Challengers! Welcome to 30 Days Around the World for KANPE!

The following information outlines what you need to know to join your upcoming challenge.

First, you need to download Pacer Pedometer & Step Tracker.

Go to **App Store** or **Google play** & search **"Pacer"**
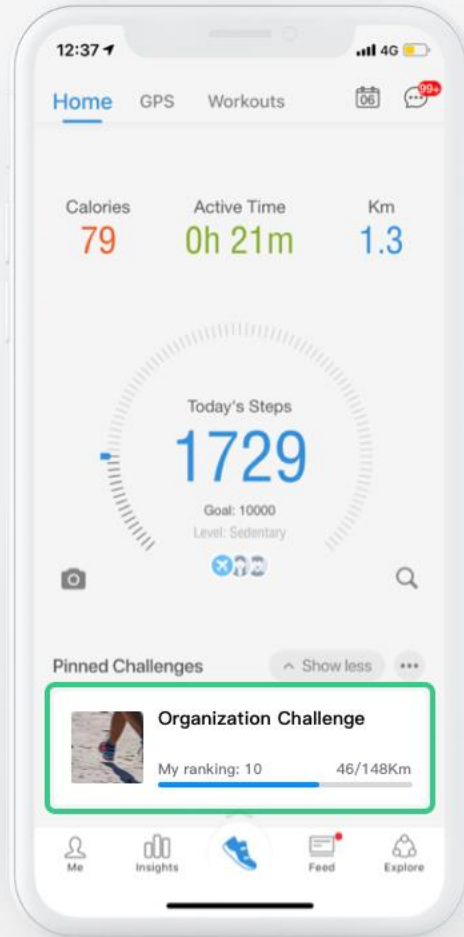

If you don't have a Pacer account yet, you can enter your Organization Code on the App's first screen. You can use any valid email to register your account, but check with your Admin on whether your work email should be used.

Step1
Enter Challenge Code

Step2
Enter Org Code

Step3
Join Organization

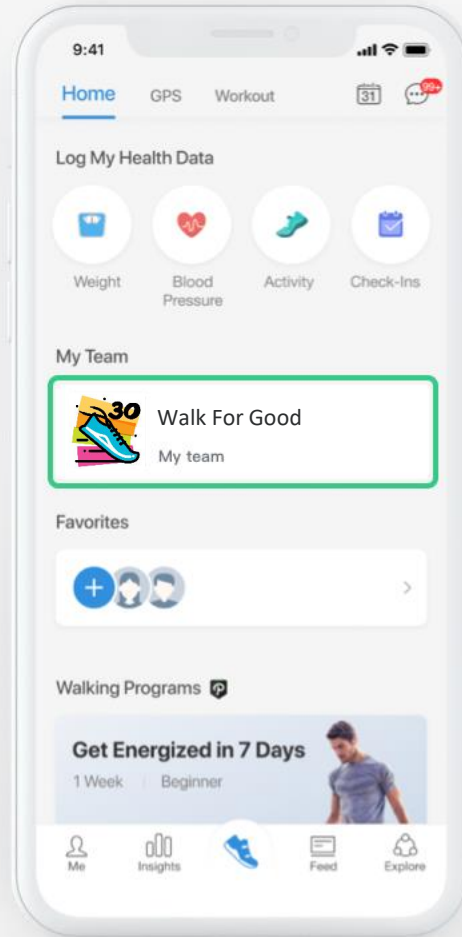

Step4
Create A Pacer Account

Step5
Access Org

If you already logged in...

If you already have a Pacer account, tap the search icon (🔍) on the home screen, and input your Org Code.

Step1
Search on Homepage

Step2
Enter Org Code

Step3
Join Organization

Step4
Access Org

03

Your **Org Challenge** will be pined
on the first screen of Pacer Homepage

Scroll down, you will see your **Team**

You're ready for your challenge!

Once you've completed the onboarding steps and joined your P4T Org, you will be in any challenge your Admin creates. You do not have to accept or opt-in.

You can find your challenge(s) and your P4T Org on the Pacer app's Homepage. Your challenges should be pinned to the home screen (highlight). If it's not, please follow these instructions

In App GPS activity tracker

3rd Party Apps/Wearables

Manually Added Data

3rd Party Apps/ Wearables Pacer Supports

Apple Health   Google Fit   Fitbit   Garmin (iOS)   Samsung Health

Pacer App Troubleshooting

If you have any issues or questions during the challenge, please take the following steps to directly contact the **P4T Challenge Support Team**:

Step 1   Launch Pacer, then tap the **Explore Menu** in the bottom right corner, and then Corporate in the top right corner.

Step 2   Tap the extra options (**...**) **button** just below the Corporate Tab and choose Email Support.

Step 3   An email will be created in your phone's active email account. Explain the issue and attach any screenshots to help diagnose the problem. The email will also send your phone log so the Support Team can look into the issue more.
